- R)**        b. A self-referral is personally initiated by members. Members who desire counseling or treatment for alcohol problems may initiate the process by disclosing the nature and extent of their problem to one of the following personnel who is actively employed in their capacity as a qualified self-referral representative:
- (1) DAPA.
  - R)**        (2) CO, OIC, Executive Officer, or Command Master Chief.
  - (3) Navy Drug and Alcohol Counselor (or intern).
  - (4) DOD medical personnel (including LIP).
  - (5) Chaplain (privileged information may exist).
  - (6) Family Service Center Counselor.
- R)**        c. To qualify as a self-referral, the disclosure of alcohol abuse must be made to a qualified referral representative with the intent of acquiring treatment, and there can be no credible evidence of the member's involvement in an alcohol-related incident. Disclosure made to any other person who is not a qualified self-referral representative may not shield members from disciplinary action. By way of exception, this safe haven for self-referral shall extend to members who admit to having purchased, possessed, or consumed alcohol in violation of the minimum age requirement to purchase, possess, or consume alcohol set by the military installation, State, county, or local jurisdiction in which the members are located.
- R)**        d. A command-referral is initiated by the member's chain of command and may be based on any credible factor such as hearsay, personal observation, or noticeable change in job performance. COs may refer members of their command to a Medical Treatment Facility/Alcohol Treatment Facility (MTF/ATF) screening in situations where no offense has been committed, and regardless of whether or not the members have personally disclosed their problem. Some events for which COs are strongly encouraged to consider referral for members are:
